1. On 13 August 1954, a group of 28 soldiers was engaged in infantry field training on the small training grounds 750 meters south of the former Jaeger Kaserne at Eisenstadt (P 48/X 55). The soldiers carried full field pack and were commanded by a senior lieutenant. At noon, the above group and a horse-drawn vehicle with practice targets returned to the installation which was guarded by a sentry.                      25X1

                    , Little activity was observed at the installation. Soldiers seen wore black-bordered black epaulets. The radar similar to the PKV-45 type was still there. 1

2. On 10 August, the Auhof Kaserne northeast of Urfahr (N 44/V 88) appeared

                     The vehicles were occupied by 6 officers with red-bordered black epaulets, 4 officers with black-bordered red epaulets, and 20 to 24 soldiers who wore black-bordered red and red-bordered black epaulets. 2

1.                      Comment. The bulk of the 284th Gds Mtz Rifle Regt from the former Jaeger Kaserne probably moved to the Doellersheim troop training grounds. The driver school trucks belong to the driver school (?) of the Central Group of Forces at Eisenstadt. 25X1

2.                      Comment. Most of the elements of the 287th Gds Mtz Rifle Regt from the Auhof Kaserne moved to the Doellersheim troop training grounds. One of the two trucks coming from the north belonged to the 95th Gds Mtz Rifle Div, while the other truck belonged to the Central Group of Forces. 25X1
